

# REPORTS

New sections have been added to your reports to indicate when tickets have been reinvested for machine credit.

## THE DAILY SALES ACTIVITY REPORT

The “Daily Sales Activity” report will now feature new categories for “**CASHES**,” which will include Draw, Fast Play, and Quick Draw. Additionally, a “**NET INSTANT**” section will be added to account for Scratchers winning credits that are reinvested to purchase more tickets.

## THE SHIFT SALES REPORT

The “Shift Sales Report” now includes two sections for each ticket type. **Scratchers Sold** will indicate what is recorded in the “Cash Box,” while **Scratchers Cashed** will represent the credits that have been reinvested into the machine.

This format will also apply to Draw, Fast Play, and Quick Draw tickets.

# A GUIDE FOR RETAILERS

## VENDING MACHINE REINVESTMENT

Players can now claim winnings up to \$300 at the vending machine and reinvest in more tickets

## Introducing Vending Machine Reinvestment

**What's new:** Players can now claim prizes up to \$300 directly at Arizona Lottery vending machines (excluding Instant Tabs).

**Why it matters:** Winnings can be instantly used as credit toward more ticket purchases—right at the machine, meaning more opportunities to earn commission.

### Benefits:

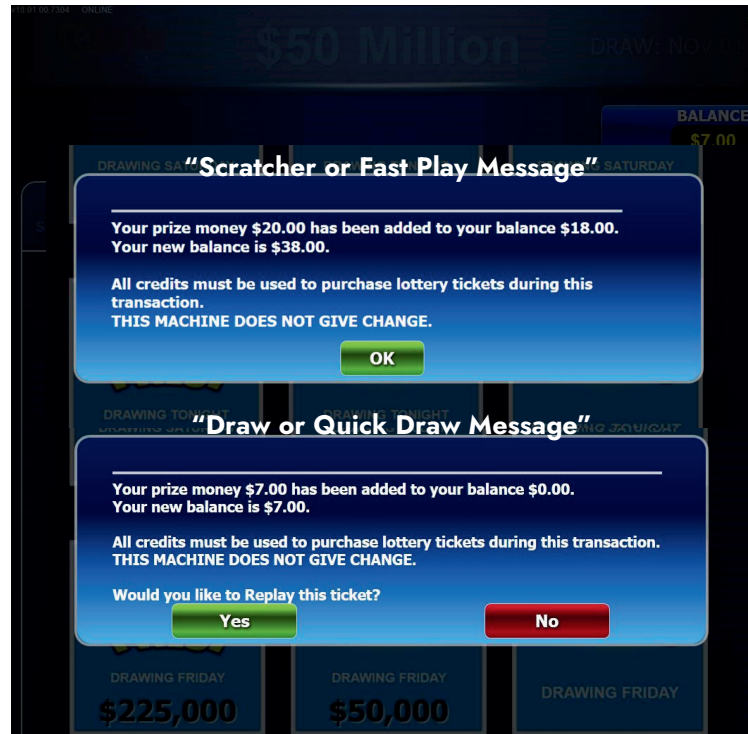

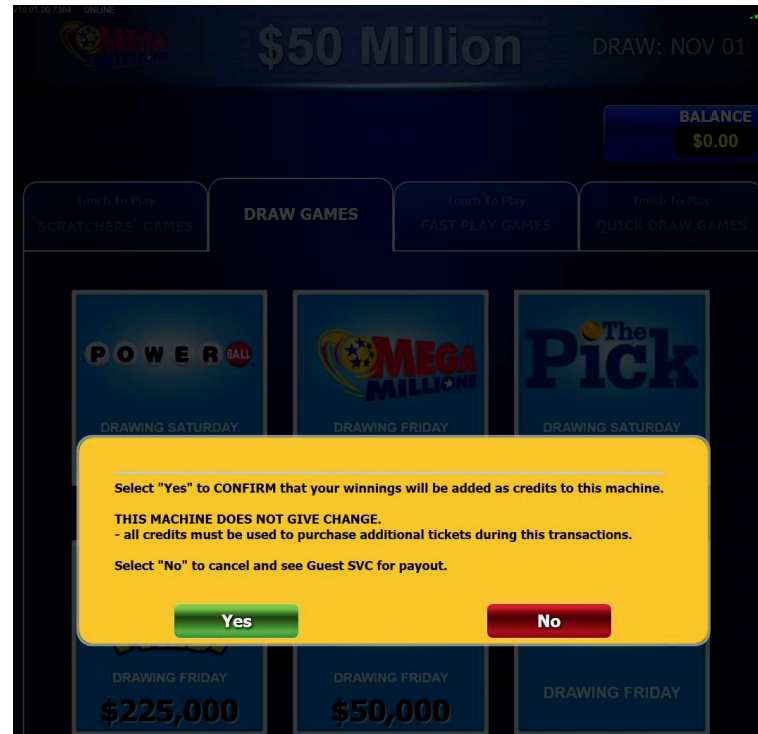

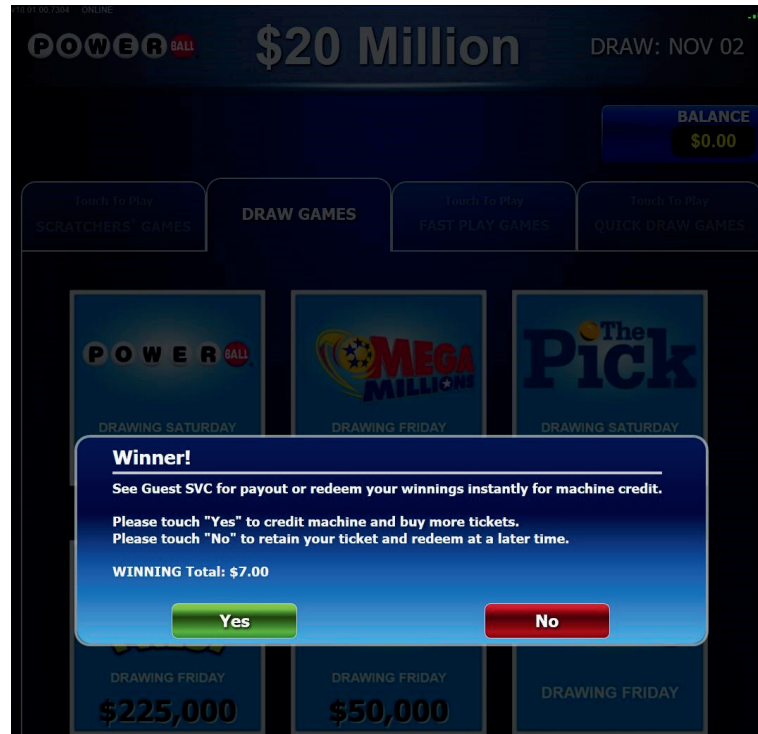

- Faster, smoother player experience
- No need to visit the counter for wins under \$300.
- All-in-one purchase + redemption

**Heads up:** Credit must be used immediately. Vending machines won't issue change or vouchers.

This guide gives you all the info you need to help customers and maximize the upgrade.

# VENDING MACHINE REINVESTMENT PROCESS

**STEP 1:**  
**Scan a Winning Ticket**

Players insert or scan their winning ticket (worth \$300 or less). The screen displays:

*“Winner! See Guest SVC for payout or redeem your winnings instantly for machine credit.”*

Player selects:

- YES** – to use winnings as credit now
- NO** – to keep the ticket and redeem later at a retail location or claim center

**STEP 2:**  
**Confirm Credit Redemption**

If the player selects YES, a second screen displays:

*“Select YES to CONFIRM that your winnings will be added as credits to this machine. THIS MACHINE DOES NOT GIVE CHANGE - all credits must be used to purchase additional tickets during this transaction. Select NO to cancel and see Guest SVC for payout.”*

- YES** – to confirm
- NO** – to cancel credit and redeem later at a retail location or claim center

**STEP 3:**  
**Credit is Applied**

The player’s winnings are converted to machine credit. The screen displays:

*“Your prize money \$\_\_\_ has been added to your balance.”*  
*“Your new balance is \$\_\_\_.”*  
*“THIS MACHINE DOES NOT GIVE CHANGE.”*

- When checking a **Scratchers®** or **Fast Play™** ticket, Player taps **OK** to continue
- When checking a **Draw** or **Quick Draw** ticket, the “Would you like to Replay you ticket?” message will also appear, Player will select **Yes** or **No**

**STEP 4:**  
**Purchasing Tickets with Credit**

- Players can buy tickets using their machine balance.
- The balance automatically updates with each ticket selection.
- Multiple tickets can be redeemed, but the machine credit must not exceed **\*\*\$599\*\***.
- All credits must be utilized within the same session.

**Choosing “NO”** - If the player chooses **NO** during the initial notification or confirmation step the following message pops-up: **“Winner! Please visit Guest Services for your payout.”**

The ticket can then be redeemed at either a retail counter or an Arizona Lottery claim center.

Must be 21 or older to purchase or redeem tickets. Overall odds vary by game. All sales are final. In accordance with ADA, these materials may be made available in an alternative format.
