Arizona Lottery Gives Back

STEPPING UP FOR HEAT RELIEF WITH ADHS AND SOLES2SOULS

Arizona summers can be brutally hot, and for those without shelter, the risks are life-threatening. That's why the Arizona Lottery partnered with Soles2Souls, the Arizona Department of Health Services, and local volunteers to assemble and distribute nearly 1,000 pairs of shoes and heat relief kits in Phoenix and Tucson.

These kits included shoes, cooling towels, water bottles, sunscreen, and other essentials that provide both comfort and protection during extreme heat. By working together, we're addressing an urgent community need while showing that the Lottery's impact goes far beyond fun and games.

In the Community

FRY'S GROCERY GAME SHOW FUN

Last month, the Arizona Lottery partnered with Fry's to host eight \$10,000 Grocery Game Show events across Arizona, with stops in Tucson, Marana, Phoenix, Scottsdale, Gilbert, Goodyear, Prescott Valley, and Flagstaff. These exciting activations brought the fun of the Lottery right into local communities while kicking off the \$1 Million Mega Market Las Vegas Players Club promotion, run by Atlas Experiences.

At each stop, players had the chance to win up to \$500 in Fry's Food Stores gift cards, along with exclusive Arizona Lottery merchandise. The energy was high, the aisles were buzzing, and players left not only with their groceries but also with the excitement of big wins and community fun. By teaming up with Fry's, we were able to connect directly with players where they shop every day, showing once again that the Arizona Lottery is all about creating memorable experiences.

Responsible Play for a Stronger Arizona.

RESPONSIBLE GAMING EDUCATION MONTH

This September marks the launch of Arizona's first-ever Responsible Gaming Education Month (RGEM), a milestone that highlights our commitment to keeping play fun and safe for everyone. Through Governor Hobbs' proclamation and a strong partnership with the Arizona Department of Gaming, the Arizona Lottery is leading the way in building a culture of responsible gaming.

Responsible play isn't just about addressing problem gambling after it happens, it's about prevention. From clear game information to our new Responsible Gaming webpage and WLA certification, we're embedding responsible gaming into everything we do. Together with ADG, we're creating a holistic approach that protects players while strengthening trust in our industry.

The significance of RGEM extends beyond Arizona. It sets a precedent for lotteries and regulators across the country, signaling that responsible gaming is fundamental to the future of gaming. Read more from our leadership in this thought leadership article on [LinkedIn](#).
